

eXabyte'25

—ITERATE TO INNOVATE—

VER. 9.0

18th & 19th February, 2025

TABLE OF CONTENTS

- **Codeplay (Coding & Debugging)**
- **Webbed (Webpage Designing)**
- **eXathon (Hackathon)**
- **Brainstorm (Quiz)**
- **Verb-o-War (Debate)**
- **X-Hunt (Treasure Hunt)**
- **Snappit (Photography)**
- **eXcelerate (eSports)**
- **Digibit (Hardware Circuitry)**
- **Byte Tales (Micro-fiction)**
- **Em-Bleed (Poster/Digital Artwork)**
- **Crypt-X (Cryptography)**
- **Sudo-X (Sudoku)**

Individual Event (On-Campus)

- **A competitive coding event focusing on common topics from Data Structures and Algorithms (DSA).**
- **Question Difficulty: Easy to Hard.**
- **Allowed Programming Languages: C, C++ & Java.**

WEBBED

Individual Event (On-Campus)

- **A web designing competition focusing on front-end design.**
- **Adding dynamic features is encouraged but not mandatory.**
- **All required resources (images, audio files) will be provided on the event day.**

EXATHON

Team Event (3 Members per Team) (Hybrid)

Phase 1 (On-line):

- Teams submit an idea based on provided topics.**
- Develop the core model and upload it to a specified GitHub link.**
- Plagiarism is strictly prohibited.**
- Create a 5-slide PowerPoint presentation to describe the idea and present it in a Google Meet session.**
- Winners from Phase 1 will qualify for Phase 2.**

Phase 2 (On-Campus):

- Qualifying teams will visit the college.**
- Additional requirements will be shared as feedback from Phase 1 and must be incorporated into the model.**
- Final presentations will be made before a panel of judges.**
- The judging panel's decision will determine the winners.**

BRAINSTORM

**Team Event (2 Members per Team)
(On-Campus)**

- **A generalized quiz covering technical topics.**
- **The format and rules will be announced by the Quiz Master during the event.**

VERB-O-WAR

**Team Event (2 Members per Team)
(On-Campus)**

Format: Oxford-style debate.

- **Roles:** One member will speak for the motion, and the other against it.
- **Topic Announcement:** Provided one day prior to the event.
- **Time Limit:** Each speaker gets 2+1 minutes, followed by a 1-minute rebuttal.

X-HUNT

Team Event (3 Members per Team) (On-Campus)

- A treasure hunt requiring teamwork to solve clues.
- At least one team member must be from St. Xavier's College (Autonomous), Kolkata.
- Teams must stay together and use smartphones with active internet and WhatsApp.
- Each team will be given a clue at the beginning of the treasure hunt from the registration desk. It will be up to the teams to decipher the said clue.
- Solve each clue to reach a location, take a group-fie with the clue, and proceed.
- Scoring is based on task completion and time taken.
- Teams must return to the starting point to complete their participation.

SNAPPIT

Individual Event (On-line)

- **Submit a single smartphone-captured image based on a given theme.**
- **The number of entries per participant is limited to 1.**
- **DSLR/Digital Camera photography is not allowed.**
- **Images must be original and taken by the participant with geotagged feature enabled.**
- **Basic editing (e.g., cropping, color correction) is permitted.**
- **Heavy manipulations that alter the reality of the image are not allowed.**
- **Plagiarism, inappropriate content, or rule violations will result in disqualification.**

EXCELERATE

**Team Event (5 Members per Team)
(On-line)**

Game: Call of Duty Mobile (COD-M)

Rules and Format:

- **Each team must have 5 players.**
- **Tournament Format: Knockout.**
- **Game Mode: 5 vs 5 (Team Deathmatch, Hardpoint, Domination, Search & Destroy).**
- **Time Limit: 8 minutes for all matches, 10 minutes for semifinals and finals.**
- **Verbal abuse or misconduct will lead to disqualification.**

Individual Event (On-Campus)

Phase 1:

- MCQ questions will be provided through a Google Form.
- Qualification to the second phase will be based on the number of correctly answered questions subject to a predefined limit.
- In case of a tie, the timestamp of form submission will be considered to determine who moves on to Phase 2.

Phase 2:

- Design a circuit diagram based on the provided requirements.
- Materials will be provided.
- Scoring is based on efficiency and time taken to complete the circuit.

BYTE TALES

Individual Event (On-line)

- **Write a short paragraph (50 words) on a given theme.**
- **Plagiarism, inappropriate content, or rule violations will result in disqualification.**

EM-BLEED

Individual Event (On-line)

- **Design a poster, digital artwork, or GIF on a given topic.**
- **Designs must not represent individuals, organizations, or brands, and must avoid religious sentiments.**
- **Plagiarism is prohibited.**
- **Submission Format: JPEG.**

Individual Event (On-Campus)

- **A set of n questions will be given in password-protected .txt files.**
- **The first question will be accessible to every participant.**
- **The answer to each question serves as the password for the next file.**
- **The fastest participant to decipher all passwords correctly will be declared the winner.**
- **In case of a tie, the participant who completed the challenge in the shortest time will be considered the winner.**

Individual Event (On-Campus)

- **Each participant must solve 4 Sudoku problems sequentially.**
- **The puzzles will increase in difficulty as you progress.**
- **The fastest participant to solve all problems will be declared the winner.**
- **In case of a tie, winners will be decided based on the final arrangements closest to the correct solutions.**

GENERAL EVENT GUIDELINES

- Participants must be registered students of their college and must bring their ID card for entry into the college premises. Cross-college teams are allowed.
- Participants must have a reliable internet connection and necessary equipment (e.g., headphones, camera) for online events.
- Prelims will be conducted if the number of registrations exceeds the participation limit for any given event. Participants will be notified regarding the same.
- All communication regarding event updates, including schedules, instructions, and clarifications, will be communicated via WhatsApp. Participants must check regularly for important information regarding the event(s) they have registered for.
- The decision of the judge(s) is final and binding in all matters related to the event. Any queries and/or complaints regarding the event must be directed to the event organizers, and their decision will be final.
- Participants are expected to maintain decorum and show respect towards fellow participants and event organizers. Verbal abuse, misconduct, or disruptive behavior will lead to immediate disqualification.
- All submissions must follow event-specific formats and deadlines. Plagiarism is strictly prohibited and will lead to immediate disqualification.
- Event organizers reserve the right to modify, postpone, or cancel any event at any point, based on unforeseen circumstances. In such a scenario, the participants will be notified promptly.
